COMING EVENTS

Ray Miels Memorial Breakfast

Sunday 22 January 2006

Meet at the CCC clubrooms Clark Street Glandore at 7.00 am for a 7.30 am start. It will be a pleasant short drive to the destination and you may even feel "on show" but to whom at that time in the

morning?

The venue is lawned, has shade, access to at least 4 free electric BBQ's (or bring your own), some table settings, play equipment and toilets. This year the run sheet will be simple and hopefully there will

be enough of them, so get up early and enjoy!

Remember back into your parking area so that Richard Tapp can get a good photo of your car.

Ken & Carole Barnes
8293 7923 or 0414 332 594

2006 Registration Day

Sunday 5 February 2005

Club membership renewal is due in the new year.

Members with Conditional (Historic) Registration must renew their membership by 31 March

2006 at the latest.

On 5 February 2006 a sausage sizzle will be held at the club rooms at Glandore for Registration Day.

Bring your vehicles for a run, pay

your dues and have your log book and registration papers updated. See you there.

Dave and Gaye Aylett
8381 9665

Coffee Cruise

Saturday 18 February 2006

This year our outing will be a little different with an afternoon/evening cruise along our beautiful foreshores.

Meet at the Glandore Clubrooms at 4.30PM for a 5PM departure.

Our run will take us from Seacliff to North Haven which should take about 2 hours.

Our destination, for those of you who may not be able to make the start, is Jaycee Park on Lady Gowrie Drive; that is just past the Kiosk at the rear of the North

Haven Marina.

Electric BBQs are available, so BYO your evening meal or supper & watch the sunset over the Gulf.

Chris Howes
8165 3971

Power of the Past

5 March 2006

This is our March club run, and as a club we are going to help Adelaide Hills Motor Restorers Club celebrate the 21st Power of the Past (always an excellent day)

Meeting point for the run will be the Colonial Function Centre, Mt Barker Road, Glen Osmond at 9:00 am for a 9:30 am departure.

Norma and I are giving each driver a free raffle ticket for two prize, one for up to and including 1950 and

one for 1951 on and it will be a fine day.

Brenton Hamilton
8387 0419

The route will be up the freeway taking the off-ramp and turning right into Mt Barker. Continue through the town passing the main street, then a roundabout and turn hard left at the next main junction, also a roundabout.

Entry cost for the day is \$5 / historic car including two persons.

Additional passengers are \$7 or \$5 for children or pensioner concession. If you have prepaid for the Power of the Past don't forget to collect your rally pack.

If you arrive early to get the best swap meet bargains tell them you are the Chrysler restorers advance party and you will be shown to the reserved area for Club cars.

Maurice and Jan Emmerson
8388 6002

Lawn Bowls at Pt Elliot

Sunday 9th April 2005

Join us for a drive to historic Pt Elliot, then take the opportunity

to try your hand at the art of lawn bowls with our local Pt Elliot members showing us the Dos and Don'ts of the game.

Further information to follow.

Dave and Gaye Aylett
8381 9665

FROM THE COMMITTEE

President's Message

Can you believe you have put up with me as President for the last two years? It has been a busy time for both Carole and myself.

We have made it our policy to attend as many functions and events as possible and during the last two years have only missed two runs, both because of family celebrations, and one general meeting of the club, because of the South East Saunter, when Ross Bryant stood in. Let me tell you we have enjoyed ourselves and it has been a good experience.

As President I could not have done the job, firstly without the support of Carole and secondly without the support of the Committee and some of the "Old Hands" and past Presidents all of who have advised, helped and assisted me. I say a heartfelt thank-you to all those people.

I thank the members generally for giving me the privilege of being your President. Unlike other members of the Executive namely, the Secretary, Ross Fleming and Treasurer, Allan Driver who have been in those positions for many years and doing a sterling job, there is a requirement under the by laws of the Club that the President shall have a two year term of office. This is a good rule as it stops individuals assuming "ownership" of the Club and making it

their Club and running it in a restrictive manner.

It also means that people can accept the position knowing they are not being "stuck" in the job. As it is the incumbent has one year as incoming Vice President, two years as President and one year as departing Vice President. So without a Vice President we have a problem but this matter will be addressed before the AGM.

In this edition of the "Collector" you will see an article on the Registration Day, Sunday 5 February 2006 that Dave & Gaye Aylett organize and which includes a free sausage sizzle and the opportunity to have your car/cars historically registered in a relaxed way.

The Ray Miels Memorial Breakfast is on Sunday 22 January 2006. Although it is an early start, 7:30 am, this is a beautiful time of the day; I hope you will enjoy the venue chosen.

Christmas and New Year will only be a memory by the time you read this message so I hope you are all looking forward to a busy, interesting and fun filled times participating in historic motoring with the Chrysler Restorers Club SA Branch.

Ken Barnes

Secretary's Jottings

By this time all will have enjoyed Christmas and the New Year festivities and also having family members from interstate or overseas at home. With modern air travel and the modern motor vehicle (especially Chryslers - Ed] the world and Australia are now smaller places.

The club Annual Dinner, Christmas Picnic and Christmas meeting were all well supported, when you look at the numbers of people who enjoyed those events. It is great to see folk who for whatever reason cannot always attend regularly but manage to turn up for these wind up events.

Thanks must go to the women who put all the work in for us as club members to enjoy these get togethers. The Wormalds and Judy Hart (to pick

out a couple) who work hard all the year to set up the planning for same.

By this time you should also be thinking seriously about the AGM and the election of your Committee for the coming year. As President Ken Barnes has done a mighty job in the past two years, the sort of President you could happily live with for another term.?

Think about where you may be able to help with the running of the club, which is in constant growth mode. I guess the Club is doing something right.

Enough for now, all the best for 2006. See you at the Ray Miels Breakfast Run.

CLUB NOTES

Historic Registration

The club's financial year ended on 31 December 2005 and renewals are due from 1 January 2006.

The constitution provides that members who have not renewed their membership by 31 March will cease to be a financial member of the club.

If you have Conditionally Registered Historic Vehicles (Historic Registration), unless you have joined another club and they have issued a log book, your vehicle's registration will cease to be effective after 31 March, irrespective of the date on your windscreen sticker.

This is because you will be in breach of the condition of registration that requires you to be a financial member of the club that issued your log book.

The club is required to (and will) notify Transport SA where the holder of a log book does not renew their club membership.

If you have a conditionally registered vehicle with a log book issued by CRCASA and will not be renewing your membership, you should arrange with Dave Aylett to cancel all log books issued to you by this club as soon as possible and certainly before 31 March.

If you don't renew your membership with this club or if you arrange for your log books to be cancelled, obviously you must not drive the affected vehicles until you have made alternative arrangements.

Membership renewal notices are included with this January/February issue of the Chrysler Collector.

OPTIONAL LOGBOOK UPDATE PROCEDURE #1

You may come to the club Registration Day on 5 February 2006 and pay your membership fees and have your log books updated. See details elsewhere in the magazine.

OPTIONAL LOGBOOK UPDATE PROCEDURE #2

If you are paying your membership renewal by cheque or postal order **AND** you have logbooks to be updated, then you **MAY CHOOSE TO** send **ALL** of the following:

- Club membership *renewal form*;
- *Payment* (cheque or money order);
- An appropriate sized *stamped self addressed envelope*;
- *Current* registration papers;
- *Logbooks; AND*
- \$1 (2 x 50¢ stamps) for each replacement log book required. Log books may only be renewed twice after being issued - they have a 3 year life.

to Dave & Gaye Aylett at 5 Larkdale Crescent, O'Halloran Hill 5158. They will post the updated logbooks and endorsed registration papers back to you promptly. **Make sure that you put sufficient postage on your envelope for the number of logbooks that you are sending in.** Do **NOT** post the Shannons plastic logbook cover.

NOTE: Please only post your membership renewal to the Ayletts if you are **ALSO** sending logbooks.

OPTIONAL LOGBOOK UPDATE PROCEDURE #3

You may also renew your membership by posting only the renewal and payment to the club's post office box or by making payment to the Treasurer at a club meeting. You should then bring your logbooks to the MARCH meeting (not February — which is the AGM) and queue up at that meeting.

Dave & Gaye Aylett
8381 9665

Restoration Services Directory

This is printed every two years, in conjunction with the Register of Members and Register of Member's Vehicles.

However, the information needs to be updated constantly, as information becomes available. The updated register will be available from the club

website, between biennial printing.

If you become aware of a supplier who should be added to the directory, removed from the directory or whose details need to be updated, let me know. Otherwise the usefulness of the directory will steadily deteriorate.

The updated version on the website is January 2006.

CLUB NEWS

Snippets

LP GAS

Transport SA and the Federation of Historic Motor Vehicles "period of grace" regarding LPG expired August 2005. Therefore LP Gas should be removed for Conditional Historic registration.

Please do not expect your log

book to be renewed if this has not been attended to. If you have returned to full registration because of LP Gas fitment, please return your log book for cancellation.

Dave & Gaye Aylett

DODGE OWNERS

At the Christmas meeting it was suggested to me that obviously a Dodge owner would *never* buy *anything* that only lasted a mere 12 months - such as a calendar!

Richard Tapp

Sticky Beak Sheet — Graham Bailey

NAME AND CAR OR CARS

Graham Bailey 1929 DA Dodge Ute, 1933 DP Dodge Brougham & 1967 VC Safari (Rex)

WHAT LED TO YOUR INTEREST IN THE CHRYSLER PRODUCT?

In 1978 I was a member of the Alice Springs Club and hear of a 1924 Dodge tourer, which I bought.

HOW DID YOU FIND OUT ABOUT THE CHRYSLER RESTORERS CLUB?

Alice Springs Club Member (Eddie De Young) Had lots of help from Milton Prosser and probably Dick Hart. So I thought this lot seems helpful and joined.

DID YOU KNOW SOMEONE IN THE CLUB?

Eddie De Young.

WHAT YEAR DID YOU JOIN ?

Early 80's, ['83 — Ed] but didn't get to an event till the presentation dinner in 1986 .

WHAT CAME FIRST, THE CAR OR THE CLUB?

The 24 Dodge.

WHERE AND HOW DID YOU FIND YOUR CARS ?

Alice Springs member Phil Davenport. saw it at Laura Motors and said it was a good car.

DID IT NEED RESTORING OR WAS IT ALREADY DONE ?

It was a good original with a recent paint job and needed some work, but quite useable. I bought a 25 Dodge in Melbourne in 1984 and drove it home to Alice Springs.

DID ANY MEMBERS HAVE ANY INPUT IN PROVIDING HELP WITH YOUR RESTORATION ? IF SO WHO AND WHAT ?

Not on the 24, but in 93 Dick Hart talked me into pulling my finger out on the 29 DA. He and Rick Frith and I ["Dick, Rick and Prick"] banded together and finished 2 utes and did all of mine in about 10 months.

DO YOU HAVE A STORY THAT MAY HAVE WON YOU A DISASTER AWARD (ANY STUFF UP WILL DO) ?

For those with very short memories I was runner up in 05 after the 33 broke down 100 k north of Coober Pedy, but Alan Driver pipped me at the post by doing the same further from home. Thanks Al.

DO YOU ENJOY GOING TO CLUB MEETINGS AND WHY?

Yes, To catch up to members and speculate how long Ken will have to stay President.

WHAT IS YOUR AMBITION IN THE CLUB ?

Ambition!-What's that?

HAVE YOU A STORY THAT NEEDS TO BE TOLD ABOUT A FELLOW MEMBER (DON'T LET THE TRUTH OR FACTS STOP YOU)?

There is one I keep hearing about, a past member fixated on hubcaps VW ones I think. Can't quite remember the whole story ...

DO YOU THINK YOU WILL EVER FIND THAT ELUSIVE PART AT A SWAPPY SO YOU WILL NEVER HAVE TO GO TO ANOTHER SWAP

MEET AGAIN ?

Who cares. I'll go anyway.

WHAT HAVE BEEN SOME OF THE HIGHLIGHTS FOR YOU IN THE CLUB ?

The trips away and camp outs with the best bunch of people I know. Also winning the Presidents Trophy in 2003.

DO YOU ENJOY AND WOULD YOU HAVE ANY SUGGESTIONS FOR CLUB RUNS ?

I love the long ones and camp outs. And especially Barnes's Waikerie run.

FOR THE LADIES:

WHAT WERE YOUR THOUGHTS WHEN YOUR MAN SAID, I WANT AN OLD CAR TO PLAY WITH AND PUT IT WHERE YOU THOUGHT THE PAVING, PERGOLA OR BBQ SHOULD BE ?

n/a

HAS HIS EFFORT BEEN WORTH IT ?

n/a

DO YOU THINK HE WILL EVER FIND THAT LAST PART HE IS LOOKING FOR ?

n/a

ANY OTHER INFORMATION YOU MAY WISH TO SHARE.

On Nita's behalf: What do you think? I'm now in Queensland.

*Wayne Bartlett
Official Beak*

Malcolm Du Bois' 60th Birthday

25 September 2005

Club members were on hand in large numbers to help Malcolm

Du Bois celebrate his 60th birthday recently.

Photos: Ken Barnes

PAST EVENTS

Alice Springs in a 1926 Buckboard

Les Johnson and Bob Grant submitted this article for the last magazine. I had just finished that magazine at 11 pm on Sunday night [the magazine goes to the printer at 7:30 am Monday morning] when I found that I had missed it - too late. Guess what - this time I found that I had missed it again, but it was only 9 pm so here we go - Ed.

Bob Grant and I decided to go on this trip with the Chrysler Restorers Club and thoroughly enjoyed ourselves with a great group of people from the Club.

We left home on Saturday 20 August, farewelled by Brian Bart with a card, yellow ribbon and a six pack to start the ball rolling. Bart and Jean were going to Alice in their new Mercedes, and said hang the yellow ribbon in a tree just outside of Pt Augusta, so that they could see we got that far, and said if you get to Alice there will be another 6 pack waiting for you. That was just the incentive we needed.

On the first day we met some of the group at the Bolivar Caltex Service Station in pouring rain. Windscreen wiper was struggling in the best of conditions and didn't have much of a hope here. Thoughts of doing a mileage check for the trip were suddenly halted as the odometer stopped working.

We were having second thoughts about our long awaited trip as we travelled north, however things started to improve and we arrived at our first camp Warnertown. We had a great

roast meal at the Hotel, and all for only \$9 - what a bargain.

Next day we travelled to Pt Augusta and went to the local bakery for a pie and pasty. Cruising along eating our pasties Bob suddenly said "hell I think we are on fire". Guess what, he was sitting on his pie. I laughed so much I missed the turnoff to Alice and was heading to Whyalla. Somehow our secret leaked out and we won "danger" of the day and shared wearing the driver cap of the day.

We hung Bart's yellow ribbon in the tree for him to see when he passed in the Mercedes. We arrived at Glendambo, set up camp and then visited the local Woolshed Pub. We were amazed by the size of the huge

open fireplace which used whole railway sleepers for fuel. Travelling on to Coober Pedy, all was going well except for a slight leak in the radiator. Bill loaned us some Needit to try, but the leak appeared to be coming from the core itself so this was not working very well.

We then tried the old age remedy of pepper, and it worked a treat, hasn't leaked since. I'm glad the pepper worked as we needed the egg with our bacon for breakfast (egg being another remedy).

On day 6 we arrived at Alice and joined the group at the Showground. An ideal camp site, green grass and trees for shade and our own toilet and shower block for our group (well done Queen Judy and King Richard).

On Friday we all went to the Hall of Fame to enjoy the spectacular gathering of trucks from Australia wide. On Friday night we went to the Twilight Race meeting; biggest crowd they have had in years, so they say.

Spent Saturday looking at the sights in town, finished up at the local Club and watched the Crows playing West Coast. Bart and Jean caught up with us and we had to find our way home in the dark (lights not the best).

Sunday was the Big Parade, around 500 vehicles of all shapes and sizes. We started at the Shell Depot and approx 2 hrs later finished at the Hall of Fame where there was time to

PAST EVENTS

Alice Springs in a 1926 Buckboard (ctd)

starved the poor old girl. Just prior to that we had been over some badly corrugated roads to the Henby Meteorite site and Rainbow Valley, so we decided to stick to bitumen from then on.

Stayed at Woomera then on to Pt Augusta through the Pichi Richi Pass to Quorn and camped at Clare for the last night.

Saturday morning we headed for home in the rain, with no windscreen wiper, using potato juice (another old remedy) to arrive home safely for lunch.

All in all we had a great trip, met some great people with common interest and had no major problems with the Chrysler.

Thanks Dick and Judy for organizing this great trip.

We travelled 3,500 km, used 625 litres of fuel [about 15 mpg – Ed] at a cost of approx \$800.

Les Johnson & Bob Grant.

Opposite: Campsite at Alice Springs, Richard & Judy Hart's Highway Palace with Les Johnson's 1926 Chrysler 70 buckboard

This page: Mack trucks at the Hall of Fame and Bob Grant on the V6 motorcycle outside Bojangles in Alice Springs.

All photos: Les Johnson

wander and look at all those magnificent machines. Later in the day we drove out to the Airport especially to see the 1924 Rolls Royce Silver Ghost Buckboard protected in a glass room.

On returning to the Showground camp we hitched a ride with Trevor into Todd Street to visit Bojangles "Bikie Pub". What an experience to see a V6 bike laying rubber for 30m up the main street; thought the pub was on fire. Bob was the lucky one to sit on this machine moments before this amazing fete; he looked the part in his sleeveless jacket and peak cap, but the tattoos are long gone (have the photo as proof).

On returning to camp we were greeted with a 6 pack from Bart and Jean which they had promised, but missed them while having fun at the pub. Thanks Bart, how far do we have to go for a carton?

Monday morning we left the main group as others did and travelled back to Coober Pedy as we wanted to stop a couple of days noodling through the heaps for opal. Found a few chips, but not enough to retire on. We spent 2 nights at the Oasis Caravan Park sleeping in the converted 20,000 gallon rainwater tank.

It was great in the storm that night. Some lost their tents in the high winds but we were most comfortable. We met 2 couples, one in a 1928 Chev

Tourer, another in a 1928 Ford A utility. Both from NSW, had been to Perth then along the Gunbarrel Highway to Alice then were travelling home. Been on the road for 2 1/2 months and loving it.

On heading south from Coober Pedy the weather was around 30 degrees when the motor started to miss. Suspecting fuel vaporization, we removed the bonnet side panels to help with cooling but there was still a problem and eventually we stopped altogether.

We found the problem; it was a fuel blockage. Some rust had found its way into the vacuum tank strainer and

2005 Blanchetown Country Music Camp-Out

22 October 2005

David Croser (the 'Cocky from Koolywurtie) was one of the performers at the second "Blanchetown Country Music Campout". The event attracted close to 800 people to a secluded rural setting in the middle of the 16,000 hectare 'Bindmurra' sheep station near Blanchetown.

The proceeds from the 3 day event, (held on 21st, 22nd & 23rd October)

benefited the "Royal Flying Doctor Service". The 2004 event raised \$15,000, and it is expected this year's total will be much the same.

A variety of country music/bush ballad artists and bands, and bush poets donated their services. A total of 20 different bands and artists provided entertainment from 11.30 am on Saturday to 1 am next morning.

A lot of the artists also sang on the

Friday evening "walk-up" and at a gospel concert on the Sunday morning. Thankfully, the unseasonal rain held off until a few hours after the gospel concert, when most people had headed for home. However, a few campers were caught in a downpour and had to wait a day or two for the roads to dry out.

Annual Dinner

26 October 2005

The Annual Dinner for 2005 was held at the Athelstone Football Club and 112 people came along. Judy Hart and Chris Howes organized the function, it was held in pleasant surroundings, the meal was superb and Chris MC'd the function in an easy relaxed way and yet throughout the night drawing 27 door prizes all given to the Club by members.

Awards were presented during the night and Judy McNair announced the Ron McNair Trophy, by vote of members, to Richard Hart. Judy said a lot of people had voted this year and Richard had pipped the runner up (Judy Hart) by 2 votes.

Then the Alan Toull Memorial, which is selected by the Committee, was awarded to "Chip" Thomas for his generosity in storing and controlling workshop manuals given to the Club by Mitsubishi; and in doing so Chip will save the Club approx. \$1200 pa.

Alan Driver and Graham

Bailey both had problems on the Alice Springs Tour but Alan Driver got the Disaster Award. His problem sure was a disaster, as his father Frank will tell you.

Alan's car developed an engine

noise so much so that Frank had to tow Alan's car and camper trailer behind his Ford F100 and caravan, altogether longer than a B Double. The tow was for some 200 kilometres to Alice Springs but luckily Rick Frith was able to

tow Alan's camper trailer behind his ute for some of the way.

Once in Alice Springs and with the help of a garage with hydraulic hoist all "the boys" decided on new white metal bearings, but still a knock! Rose Driver started to think of "jumping ship" and flying back to Adelaide but stayed with Alan while the car was freighted back home. It turned out to be a broken piston, similar to the Disaster Award Trophy itself - well deserved Alan!

For the last few years there has been a lady, who in the background, quietly organizes and works to produce the Annual Christmas Picnic. Yes, buying presents at the right price, wrapping and devising games for the children and "oldies" all done

PAST EVENTS

Annual Dinner (ctd)

throughout the year is no mean feat so Joan Wormald has certainly earned the President's Award.

You could say Joan is like Mary Christmas and of course Neil has been that jovial fellow Father Christmas arriving always in a Chrysler product, distributing presents to the children in a lovely picnic atmosphere. In making the President's Award the writer decided to make it a joint award to Joan & Neil Wormald or Father & Mary Christmas. Thanks to both for a job done with panache.

After the

awards came the annual paper plane-throwing contest and without Richard Tapp present [doing the November / December Chrysler Collector - Ed.], we had a new champion. Then judging the best period dressed people, ably done by a visitor from the Adelaide Hills Car Club, the prize going to Trevor & Lorraine Beythien

It was a good night well organized, good food and plenty of it, wonderful company and good fun.

CCC Cruise to Birdwood

Sunday 20 November 05

Hi there me again! Ken asked if I could write a brief account of the CCC run which was organized by the Rover Car Club of SA. Of course I agreed so here we go and I hope it makes a good read for everyone.

As I said, the Rover Car Club of SA were the hosts for the 2005 CCC bi-annual fun run which actually coincided with the national Motor Museum's 40th Anniversary.

We all met (well some of us did - eh Ken) at the Carisbrooke car park on Main North road for a 10.30 start.

Donna and I arrived before 10 am and the car park area was filling

up fast. It was great to see all the different models and makes of cars that weren't just Chrysler products.

I think the organizer was also caught off guard as he had a little problem with the amount of cars that actually turned up, and ran out of mud maps for the journey.

It was great to see all the different models of American and European cars such as the Rovers, Vauxhalls, Austin's, Morris Minors, Chrysler, Chevys, Mercedes, Holdens, Fords etc, both old and new and lots more.

The forecast was for around the 24° C mark, which made it a great day for the cruise.

Everyone was just standing around and chatting or looking at

the different types of cars from other club members. Finally at around 11 am the organizer rallied everyone to start their engines and follow the leading Rover.

It was quite an unusual way of going to Birdwood as we headed up the Main North Road towards Gawler and Donna began to read the directions to me. When she said we needed to continue onto the Gawler bypass and I started thinking she's got this wrong.

But no, she was right, as we had to take the turn off from the bypass and head back into Gawler via Willaston. We made our way to Birdwood via the picturesque Greenock Road and on to Williamstown where Donna and I

PAST EVENTS

CCC Cruise to Birdwood (ctd)

could smell the hot pies and pasties at the bakery which prompted a quick "U" turn.

I don't care what you say, but it's so hard to go past a bakery without checking out the goodies. We picked a shady spot down the road to consume our repast and watch the CCC cars pass us by. Finally after downing a pie and half of my pasty we joined in on the remaining trip to Birdwood.

You couldn't have picked a better day for a cruise as the countryside was so nice and peaceful. However, as we entered Birdwood, memories of our breakfast run came rushing back. Because there weren't enough mud maps some drivers relied on others to lead the way and missed the turn off before the mill, ha, ha, ha.

We were very fortunate to be able to park our cars together under the beautiful dappled shade of some really huge gum trees. Taking advantage of the shady gums we joined "Ron's Dad" and friends and later our club President and his lovely wife, Carole.

Great run, great day, great complex and great company, what more could you ask for? "AEROGARD", those flies were so bad they took Big Kev's hair! Well, not really, but the flies were really, really, bad.

After lunch we went for a stroll and looked at the various cars that were on display.

There was a country band playing outside the main entrance and various confectionary stalls were selling their wares, including the strawberries and ice cream stall. Still more flies, so we decided to head back to the cars as we had

seen the Museum before and thought we would just head back home via the Gorge road and check out the Kangaroo Creek Dam.

We had a little problem on the way home as the Old Val started to misfire. It turned out to be a loose condenser connection in the distributor.

All in all it was a really nice day and a great run and I'm sure everyone enjoyed it as much as we did.

Christmas Meeting

MEMBERS VEHICLES

A Royal Affair

During the Kernewek Lowender of May 2005, whilst dutifully taking Rhonda and my mother to all the craft, antique and second hand shops, I spied a notice in a shop window. FOR SALE – 1958 Chrysler Royal.

Well that was enough to raise the interest of this self confessed 1950s and '60s Chrysler freak. A situation like this warrants further investigating and knowing that the girls would be in the shops for a while I whipped out the mobile and made the call.

The owner (Stephen) was unavailable as he was host of the VIP tent at the Moonta Show. Not to be deterred I theorised that if Steve can't come to me, I'll go to him. So off I trudged to the Oval, found Steve, exchanged pleasantries, then went into the details of the car.

I explained that I was a CRC member and hooked on anything with fins and would like to see the car. He pulled out his phone and "phoned a friend" (David) who was available and could show me the car.

I trudged back to the Main Street hardware store, introduced myself to David and informed him of my mission. He was very receptive and said "Follow me, I'll take you to see the car."

Off we trudged and blow me

down we walked back to a house that was opposite the main gate of the Moonta Oval. There she was in all her Royalty, very good condition with a boot full of spares, too numerous to mention.

After many phone calls back and forth between Adelaide and Kadina I decided to go for another inspection. So on Wednesday 19 October 2005 Rhonda and I went to Moonta for a day trip and final inspection. After giving the car a thorough going over and getting the engine running, a deal was struck and the cheque signed. After that it was back to the Main Street to purchase a bulk supply of Cornish pasties for the freezer back home.

On Monday 24 October 2005 we were up early to check the fluids and tyres on the 1969 VF Valiant coupe and load jumper leads, tow ropes and tool box. Next stop was Cook's Trailers to hire a trailer and we were on our way to Moonta.

On arrival I rang Steve and he met me where the car was stored, with 4 litres of fuel. Three went in the tank and a few capfuls down the carby; a turn of the key and she was running. Then the hard part; a curving driveway up hill and backwards into the street then on to the trailer – with no brakes. This was achieved after some time,

with Rhonda's guidance and incredible patience.

With the Royal all secured, it was back to the Main Street for more Cornish pasties for the freezer back home [*after all it was nearly a week since the last bulk purchase – Ed*] and we headed home.

After a slow journey we dropped the Royal at the mechanics to have the brakes repaired, the trailer back at Cook's and then it was home for a very welcome shower before heading off to work for my 4 pm to 11 pm shift.

The 1969 VF coupe did an excellent job towing the very heavy Cook's trailer and the [*also very heavy – Ed*] Royal. Towing score 10 out of 10. Braking score 1 out of 10.

After 3 weeks at the mechanics, the Royal finally came home with a new radiator, water pump, battery, master cylinder, wheel cylinders, stainless steel re-sleeves, brake shoes and tyres together with a service and tune-up.

We now look forward to many runs and rallies. To welcome her into our home, we gave her a personal plate as a present – ROYL-58.

Garry and Rhonda Williams

Pentastar Pride

Pentastar Pride, the newsletter of the Vancouver Island Region of the WPC Club (with whom we exchange magazines) is now available by e-mail.

They have confirmed that they are happy to send electronic copies of their magazine direct to our members.

So if you would prefer to receive a copy straight into your Inbox rather than wait for me to bring the "dead tree" (paper) version to a club meeting, send an e-mail to Rita Green [ritagreen@telus.net] requesting that you be added to their mailing list.

If you would like to order any of the items at any time please contact

Lorraine Beythien on 8449 8905 for enquiries or an order form. We are able to order any number at any time.

Club Name Badges

During the last few months members have asked about upgraded name badges. These badges are to be available for purchase by individual club members.

At the last Committee meeting it was decided that we have a white background on the badges with black printing and our Chrysler motif incorporated.

At the November meeting two styles of badges were shown to the members. The general consensus of opinion showed that a majority of people preferred the badge with Clear Glaze Acrylic and the rest liked the Plain. There was also a discussion about the different pin types.

I have had a discussion with the manufactures and it is possible to purchase both types of badges with various pin requirements.

Listed below are the styles and prices that are available.

- PLAIN with pin \$5.50
- PLAIN with dual pin and clip \$6.00
- PLAIN with magnet \$8.00
- CLEAR GLAZE ACRYLIC with pin \$7.50
- CLEAR GLAZE ACRYLIC with dual pin and clip \$8.00
- CLEAR GLAZE ACRYLIC with magnet \$10.00

If you are interested in purchasing a new name badge please contact Lorraine Beythien with the details of your badge, or you may send the order form below to Lorraine c/- Chrysler Restorers Club, PO Box 667, Plympton 5038.
